Edukacija

- Dodiplomski studij - Medicina
- Stručni poslijediplomski studij – Neurologija
- 19th European Congress of Clinical Neurophysiology, London, UK, Sep 9-12, 2025.
 - Teaching course: How and when to test autonomic nervous system?
- MS treatment algorithm, Varaždin, 21.02.2025

Edukacija

- Projekt "Erasmus Mundus Joint Master Degree in Brain and Data Science – NeuroData", u čijoj provedbi su partneri Medicinski fakultet i Fakultet elektrotehnike i računarstva
- Združeni sveučilišni studijski program Primijenjena kognitivna znanost (Applied Cognitive Science), koji je razvijen je u suradnji Filozofskog fakulteta i Fakulteta elektrotehnike i računarstva Sveučilišta u Zagrebu
- Diplomski studij „Biomedicinsko inženjerstvo“, razvijenog u sklopu projekta „Primjena hrvatskog kvalifikacijskog okvira u području biomedicinskog inženjerstva (HKO-BI)“

Certificate Program

Overview

Dates

Curriculum

Head of Studies

Application

The international university course "Clinical Autonomic Neuroscience (Certified Program)" provides knowledge in the field of clinical semiquantitative and instrumented qualitative functional diagnostics of the autonomic nervous system as well as specific therapeutic methods based on scientific knowledge of pathophysiological mechanisms. A high level of specific expertise in the clinical management of autonomic dysfunction allows for evidence-based individualized care in both the acute and chronic phases of disease.

New Croatian MS and NMOSD treatment guidelines

Venue: Hotel Park, Slavonski Brod, Croatia

Program:

February 6th, Friday 15:00-19:00

15:00-15:20: Magdalena Krbot Skorić: Introduction to the guideline development
15:20-19:00: Breakout sessions: Groups 1-4

February 7th, Saturday 10:00-17:00:
11 Years of MS treatment algorithm: what have we learned so far?

09:30-09:50: Marija Ratković: Diagnosis and treatment of multiple sclerosis in Slavonski Brod

Topic 1
Where are we in the implementation of MS and NMOSD diagnostic criteria?

09:50-10:10: Gregor Jakob Brecl: New NMOSD diagnostic criteria
10:10-10:40: David Bonifačić, Tea Mirošević Zubonja, Sanda Pavelin, Lucija Zadro Matovina: Implementation of 2024 revision of McDonald criteria in University Hospital Centers
10:40-11:10: Spomenka Kidemet Pikač, Adrijana Bogoje Raspopović, Tihana Gržinčić: Implementation of 2024 revision of McDonald criteria in General Hospitals
11:10-11:40: Coffee break

Topic 2
11:40-13:30: Case presentations
13:30-14:30: Lunch

Topic 3
When to start and when to switch/stop?

14:30-15:00: Mario Habek: Presentation of the new Croatian MS and NMOSD treatment guidelines

Topic 4
15:00-17:00: Case presentations

EFAS ANS masterclass

- Zagreb, December 2026

Proširenje ANS laboratorija u RH

- KBC Rijeka, Klinika za neurologiju
